Back Home After Long Stay On Guadalcanal

ARLIE CASSELE, CSK
USNR—Aviation Supply

The above picture is how a Hamlin business man looked before the war broke out. To see this happy fellow now one would think he had been off somewhere on an island of perpetual youth...judging from his continuous happy smile and cheery greetings to everyone.

Yes, sir, Arlie Cassle arrived home late Monday night from Guadalcanal, where he had been 20 months. He has transferred to Naval Aviation and that gives him a different looking uniform to what he had when he was at home with a case of pneumonia, last Christmas a year ago. Arlie looks quite tanned and vigorous. He has not been able to stop long enough to talk much as yet. He says, "I'll get around if time will permit." He will report, after his leave, to Corpus Christi, where he will probably stay five or six months.

Arlie says that they hustled him off so quickly across the Pacific that he never had a chance to get a suitable picture in his sailor uniform, hence, "we dress him up in civies." Any Guadalcanal "swamp dweller" deserves congratulations on getting to come home.

NOV. 23 LAST DAY TO GET 1944 CANNING SUGAR STAMPS

Stamford, Nov. 2.—Issuance of canning sugar stamps for 1944 will close Thursday, Nov. 23, according to E. O. Wedgeworth, Community Service Chairman, Jones County War Price and Rationing Board. All persons who have not yet obtained their quota of sugar are reminded there positively will be no more canning sugar coupons issued after this date.

All sugar stamps which have been issued so far this year, as well as those issued before the closing date, Nov. 23, will be valid until February 28, 1945. After that date, no canning sugar stamps will be good until the new issue in 1945.

Miss Florene Cornett, of Knox City, has been cashier and bookkeeper for the West Texas Utilities Co. since October 10. She takes the place of Miss Sarah Smith, who has opened a book store in Stamford.

HAMLIN WOMAN'S LITERARY CLUB GETS PLANE NAMED 'HAMLIN FEDERATION'

This Photograph Shows The North American P-51 Mustang Fighter

The members of the Woman's Literary Club of Hamlin were made quite proud of themselves several weeks ago when they received a picture of the above plane from Mrs. John Perry, State Chairman of Bond Sales, saying: "For your good war service reports and your War Bond sales, we had a Fighter Plane named for your Club."

Now, let's see what the North

American Aviation, Inc. says about this pretty plane. It may look "feminine" but it is one of the world's best fighters.

1. It was the first airplane built on the basis of War II combat knowledge.
2. The first single-engine airplanes based in Britain to penetrate Germany.
3. The first single-engine fighters

to escort bombers from England on a raid which penetrated Poland, the deepest thrust ever made by Allied fighters.

4. Holders of two transcontinental speed records A Mustang flew from Los Angeles to New York in 6 hours 31½ minutes, including refueling time in Kansas City. Another Mustang flew 2470 miles, non-stop cross country in 6 hours, 39½ minutes.

Mustangs are credited by the War Department as having a speed in excess of 425 miles an hour, ceiling above 40,000 feet, with a 600 mile radius. So we see "HAMLIN FEDERATION" will be going places, fast and furious, high up and far across.

Let's all congratulate the Woman's Literary Club.

Two Boys Jailed After Taking Hamlin Car

By now, R. M. Grubb realizes it is not best to leave his car key in his car, even right in front of his place of business. Tuesday afternoon while Mr. Grubb was in the rear of his place, two boys, reported to be sailors, but who had changed clothing, pulled out with the car, south. Grubb phoned City Marshal Foster, who got busy and called the Jones County Sheriff, Bill Dunwoody. The Sheriff started out towards Hamlin and met a "whizzing" car about five miles west of Anson. He had to stop, turn his car around, and chase after the fellows, and in about a mile or more, the boys crashed the car into a ditch, badly wrecking the car, a 1940 Ford V-8. So thirty minutes after they left the Grubb Produce, Bill Dunwoody had the guys in jail. They had on a mixed collection of clothing, so reports say.

HAMLIN STUDENTS MEMBERS OF McMURRY ORGANIZATIONS

McMurry College, Abilene, Texas, Oct. 31.—Frances Gardner, freshman student in McMurry College, has been chosen as a member of the Wah Wah-taysee Drum and Bugle Corps. She was initiated last week in the traditional ritual of the corps. Billie Faye Rountree and Miss Gardner have been pledged to T.I.P. social club following a week of rush activities on the campus. Both girls are members of the Chanters and will sing with the group when they appear during the sessions of the 35th annual Northwest Texas Conference of the Methodist Church to be held in Sweetwater, November 8-9-10.

COMMUNITY DAY PRAYER AND PEACE PROGRAM

Friday, November 3, is World Community Day. A program for the women of the town and community will be presented at the First Methodist Church. The theme is to be: "The Price of Enduring Peace." All women are urged to come and take a part in the program which begins at 3:00 o'clock. Other churches are cooperating in the program, which is Inter-Denominational, and every woman, regardless of religious faith, is invited to attend. Come praying for World Peace.

Mr. and Mrs. C. G. Green returned Thursday from Dallas, where they had gone to meet Mrs. Green's brother, Ula Bush, of Wolfe City, Texas.

Another Hamlin Boy Meets Death In Action

The many friends of Mr. and Mrs. C. R. Faulkenberry, of Rt. 1, Hamlin sympathize with them in another dark hour of grief, caused by the information that their son, Technician Fifth Grade Wilburn J. Faulkenberry, has died in action in New Guinea. Below is the message letter, following a telegram that arrived on Thursday of last week. It reads:

"I deeply regret that it is necessary to confirm the telegram of recent date informing you of the death of your son, Technician Fifth Grade Wilburn J. Faulkenberry, 38,369-389, Coast Artillery Corps, who died on 17 October 1944 on Noemfoor Island, New Guinea, as a result of injuries received in action.

"I wish that I could give you more information but unfortunately reports of this nature prepared in active theatres of operations are of necessity brief and contain only essential facts. However, if any further details are received they will be promptly communicated to you.

"The significance of his heroic service to his country will be preserved and commemorated by a grateful nation, and it is hoped that this thought may give you strength and courage in your sorrow.

"My deepest sympathy is extended to you in your bereavement.

"Sincerely yours,

"J. A. ULIO, Major General."

This is the third son this couple has lost within the past year. Jimmy Douglas, an infant, died Sept. 29, 1943. Claude Jr., age 16, was killed

Last Cotton Report Shows Jones County Has Ginned 11,240 Bales

According to the Census Report as of October 18, Jones County, Texas, had then received and ginned 11,240 bales of cotton as compared to 15,634 bales the same date 1943. This means the cotton crop is late and not necessarily "shorter" than last year. Few pickers and late maturity of the cotton is the main cause.

The report for November 1, will be released about the 12th, or later and should show a great gain over other reports of this season.

Mrs. H. C. Scruggs and little daughter, Patsy Sue, returned to their home in Dallas, Tuesday after a visit here with her mother, Mrs. J. B. Adkins, and her sister, Mrs. Ira Clements, and family.

in a tractor accident near Neinda, March 3, 1944.

Wilburn J. Faulkenberry would have been 22 years of age November 27. He had been in service two years, and overseas since April 1, 1944. He was an anti-aircraft gunner. He trained at Camp Haan, California, and Camp White, Oregon. He attended the McCauley school and was a member of the McCauley Baptist Church. Survivors are the parents, one brother, Leroy, and two sisters, Mrs. J. C. Kinsey, of Grand Falls, and Mrs. John Battle, of Alder, Washington.

HAMLIN COMMUNITY GOAL IN SIXTH WAR LOAN DRIVE SET AT \$193,000.00

Quotas of the major communities of Jones County have been assigned, preliminary plans are being made, and the foundation work is about completed for the Sixth War Loan drive which opens Nov. 20. Closing date for the drive has been set for December 16.

Jones County's quota for the Sixth Loan drive, according to T. A. Upshaw, Stamford, county chairman, is \$920,000, with a Series E quota of \$400,000.

Stamford, Anson, and Hamlin have accepted their quotas and chairmen have been named. Stamford's overall quota is \$469,200, with Series E bonds to account for \$204,000 of this amount. F. E. Morrow has been named Stamford chairman. Knox Pittard, Anson, will head the

drive there, with a quota of \$257,600. Series E goal for Anson is \$112,000.

Tate May Is Hamlin Chairman

Hamlin's overall goal is \$193,200, with an \$84,000 quota of Series E bonds. Tate May is chairman for Hamlin district.

Chairmen of the rural sections and quotas for each community are to be announced later, according to Mr. Upshaw.

The county quota for the Sixth War Loan drive is somewhat smaller than in the Fifth Loan drive, when the overall quota was \$1,035,000. Hamlin's quota of \$193,200 in the coming drive compares with a \$217,350 quota in the loan drive last June and July.

Annual Junior Carnival Proved Great Success

The Junior Class wishes to express their appreciation to the faculty, students and citizens of Hamlin and surrounding communities for making the 1944 Junior Carnival, Saturday night, October 28, such a splendid success.

Each class was allowed two booths or concessions such as food booths, bingo, cake walk, nite club, fun house, broadcasting station, and fortune telling.

The Carnival was very well attended and the Junior Class appreciated the presence to each one.

Each class presented a stunt which was judged by disinterested parties.

Sophomore Queen Crowned

Climaxing the evening's entertainment was the crowning ceremony held in the auditorium. Brad Rowland, president of the Junior Class, presented the court as they approached the stage which was banked with green foliage intertwined with fall flowers. Little Miss Lusara Dean carried the Queen's flowers and little Tommy Bond served as crown bearer. Chosen by popular vote and votes awarded the winning stunt, Jane Adams of the Sophomore Class was crowned "Queen of Hamlin High School" by the Junior Class president. She was then escorted to the white satin-draped throne, and Brad Rowland presented her with a corsage of two orchids, compliments of the Junior Class.

The Carnival Court

The four classes were each represented by a queen, two ladies-in-waiting, and an escort to the queen, who formed the Carnival Court. The Freshman Class chose Suzanne Toler as their queen, escorted by Richard Turner; the ladies-in-waiting were Wanda Jean Mayfield and Dana Barton.

From the Sophomore Class, the queen was Jane Adams, escorted by Kenneth Treadwell; ladies-in-waiting were Loveta Jo Hargrove and Dorothy Bill Dean.

The representatives of the Junior Class were queen, Jessie Myers, escorted by Doyle Dean. Junior ladies-in-waiting were Anna Margaret McBride and Elaine Jones.

The Senior Class queen was Lydia O'Neal, escorted by Thedford Copeland; ladies-in-waiting were Inez Baggett and Ruby Joyce Redus.

Mrs. Zudy Mercer left last Saturday for California to visit her sister, Mrs. Faye Thorpe, and an aunt, Mrs. Lilly Mayo, at Watsonville, Calif., and another aunt, Mrs. Don Steward, at Palm Dale.

Mrs. J. J. Herbst Died Thursday, Oct. 26

Mrs. J. J. Herbst, 84, a Jones County pioneer, died October 26 at 10:00 o'clock A. M. at the home of her son, Rufus Herbst, near McCauley, Texas. She was born in Georgia September 25, 1860. She came to Texas at the age of fourteen, settling in Hill County, where she was married to the late J. J. Herbst, August 29, 1878. From there they came to Jones County in 1887. The trip was made by train to Abilene that being the nearest unloading point. The first night was spent in an old wagon yard. Household goods, five head of livestock, and a wagon constituted the major part of the first carload brought from Hill County.

Mr. Herbst bought another wagon after reaching Abilene and set forth to establish a home on the quarter section of land he had bought for \$4.50 an acre on a former trip to this section. The family lived in a smoke house on their new farm until material could be hauled in for building a two-room house. The family went back to Hill County the following summer and drove back 35 head of cattle that had been left behind.

Survivors are three sons, Rufus, of McCauley; Dave of Hamlin; and Lewis of Idalou; two daughters, Mrs. Ike Dixon of Hamlin and Mrs. Kate Jennings, of Odessa; one sister, Mrs. M. E. Phillips of Goldwaite. One daughter, Mrs. Richard Adams, of Tulia, Texas, preceded her in death in 1936.

"A Mother dead and gone,

Whom we have loved for years,
We miss her feminine form and face.
For her, we give our tears;
She sleeps the peaceful sleep of Death.

Her form lies 'neath the sod,
Her loving memory lives with us,
Her soul has gone to God."

—The Above Contributed.

Funeral services for Mrs. Herbst were held at the Fairview Church, Friday afternoon, October 27, in charge of Rev. Henry Littleton, of Anson, and interment was in the Fairview Cemetery, under the direction of the Barrow Company.

Those from a distance to attend the funeral were R. N. Adams of Tulia, a son-in-law. Others of Mr. Adams' family were a son, Richard Adams and wife of Sunray; Avery Adams of Kress; A. Gales Adams and wife and son, Willard Earl, of Plainview; and Elmer McClurg and son, Weldon, of Tulia.

Dr. Ralph A. Herring Baptist Hour Speaker

DR. RALPH A. HERRING
Of Winston-Salem, North Carolina

Dr. Ralph A. Herring, of Winston-Salem, North Carolina, is the Preacher in a new series of transcribed Baptist Hour broadcasts over WFAA of Dallas every Sunday morning at 7:30, according to Dr. S. F. Lowe, of Atlanta, Director of Radio for Southern Baptists.

Dr. Herring, popular Pastor of the First Baptist Church of Winston-Salem, is a most effective preacher, according to Dr. Lowe, being in constant demand as assembly preacher and also for revivals. He was one of the speakers on the Baptist Hour network last winter.

Dr. Lowe states that the old hymns sung by a double quartette of positively outstanding singers, are an attractive feature of this series. The series of sermons by the late Dr. George W. Truett, which have been heard over WFAA, close on November 5th.

Girl Scout Field Advisor To Be In Hamlin Nov. 3

Mrs. Gretchen Kidd, Girl Scout Field Advisor, will be here Friday, November 3, and a special meeting will be held at 4:00 o'clock P. M. in the Girl Scout Hut, at which time Mrs. Kidd will deliver a message of great importance to mothers of local Girl Scouts, and to members of the local Troop Committee.

Mrs. Kidd is a Representative of Cactus Region 9, which includes New Mexico, Oklahoma, and Texas. We feel that Hamlin Troop is very fortunate in being able to present Mrs. Kidd to the mothers and members of Troop Committee.

At the present time, there are about 30 active members of the local Girl Scout Troop. It is the aim of those at the head of this organization that the Girl Scout movement shall be planned on broad educational lines, giving girls an experience and love of the out-of-door life, and a practical knowledge of health, homemaking, and the arts and crafts; also through comradeship, to develop initiative, self-control, self-reliance, and unselfish service to others.

There is a great need for normal recreational opportunities for girls of the community, and the Girl Scout program attempts to meet this need by teaching wise use of leisure. Mrs. Jenkins, Girl Scout Leader, urges that members of Troop Committee, and mothers of the Girl Scouts please show their willingness to cooperate with this important movement by being present to hear Mrs. Kidd at the meeting Friday.

Mrs. J. R. Jenkins, Leader.

No More County Machinery to Be Used In Terracing--Tanking

In a special meeting of the Jones County Commissioners' Court, in Anson, last Thursday, the Court voted to discontinue tanking and terracing with County-owned equipment.

This question had been under discussion for many months among the members of the Court, but action was deferred until a meeting could be held with the two new Commissioners, J. E. Massey of Stamford and Arden Beasley of Anson, who were present Thursday, when this action was unanimously voted.

In discussing the action, the Commissioners gave as the reason, the shortage of road building and maintenance equipment would create a hazard when the present machinery is worn out as replacement is impossible.

The Commissioners are also faced with a manpower shortage. War time wages have lured many men away from the precinct work, thereby reducing the employees to small road crews who encounter difficulties in keeping up the road work.

The Court order provides that the present work orders and contracts for tanking and terracing now on file will be completed, but after January 1, 1945, no county-owned equipment will be used for any purpose other than that necessary toward the construction and maintenance of the roads and bridges in the County.

Hamlin Boy First To Hit Philippine Soil

(From The Dallas Times Herald, Thursday, October 26, 1944.)

With American Rangers, in the Philippines, Oct. 17—(Delayed)—(AP).—Fighting American Rangers pleaded with officers and fought among themselves for the honor of being the first men to hit Philippine soil. And when the Rangers swarmed ashore at Dinagat, Homonhon and Sultan Islands, off the east coast of Leyte today, three days in advance of the scheduled main event on Leyte itself, this was the Rangers starting team lineup for the assault on Dinagat's rocky beach:

One boat, led by Lieut. Nicholas F. Curtis, Long Island, N. Y., included Tech. Sergt. Clarence C. Rhodes, of Anson, Texas.

Another boat in the first wave was led by Second Lieut. Ambrose J. Nowak, Pittsboro, Pa., included Sergt. James C. Allen of Hamlin, Texas.

The third boat was led by Second Lieut. Robert E. Strandfelt, Woodside, Long Island, N. Y., and included Albert F. Patterson, Dodd City, Texas.

Incidentally, there are no privates in the Rangers. They say any man good enough to be in the Rangers deserves at least to be a private first class.

MITCHELL FIELD, N. Y., Oct. 28.—Pfc. Edward P. Moore, son of Warren P. Moore of Stamford, Tex., arrived here at this Long Island Army Air Base after an overnight flight across the Atlantic in one of the giant transport planes which daily ferry American soldiers home from the fighting fronts.

Private Moore, whose home was in Hamlin, Texas, before he entered the Army in June, 1942, fought through the hedgerow campaign in Normandy and was with the American forces which swept across France after breaking out of the peninsula. He was within 15 miles of Paris when he was wounded.

When St. Lo was occupied, Private Moore was the first man of his division to enter the town.

He is the holder of the Purple Heart and three Silver Stars, two of them for participation in major battles and the third in recognition of his unassisted capture of eight prisoners.

The Herald wants to acknowledge receipt of an extra fine letter from Pvt. Clarence L. Maberry, of Sylvester, who is somewhere jam-up against the Germans. He is in a General Hospital, and reveals a most wonderful spirit. This is one boy we MUST meet when he gets back home. Maybe we can publish his long letter later. No wonder boys like this Maberry fellow are winning a bad war.

If poverty is a blessing in disguise, the disguise is perfect.

About Soldiers--Sailors

If the Herald were going to pick out the most typical "G.I." from Hamlin, we would name Pvt. Joe Stewart, who is somewhere in Germany. Joe never skips a chance to write his dear old mother, and that anxious mother creeps into the Herald office frequently to meekly tell us, "Heard from Joey; he's still all right." By now, all of our readers should know about Joe. He's been all the way up from Africa with the First Army into France and Germany. Joe writes in every fox-hole. He says: "Well, Mother, I've seen lots of places since I've been over here...been in so many places, can't even think of them now. St. Lo, and had my picture taken when I crossed the Seine. The people of France sure were glad to see us...I got to kiss a lot of girls. Some of the people were so glad to see us they almost cried. The people in Holland were the same. I don't think I am going to like these Germans so well...haven't seen many, yet. They don't seem to like us any too much, either. Did John Ed Day say what he sent me? Boy, I hope he sent me some cigarettes. I don't have but one package now.—Joe Stewart."

Miss Hazel Ford and Lt. Thomas H. Williams Marry In Louisiana

Announcement has been received of the marriage of Miss Hazel Ford, of Lueders, and Lt. Thomas H. Williams, of Hamlin and Selmanfield, La. The wedding took place Monday morning, October 16, at 10 o'clock in the field chapel, with the Chaplain reading the double ring ceremony, culminating a romance which began in their college days. Following the ceremony, the couple took a wedding trip to New Orleans, La.

Mrs. Williams is a graduate of T.S.C.W., at Denton, and for the past two years has been employed as an airline hostess for American Airways.

Lt. Williams is a graduate of Hamlin High School and attended A. & M. College three years before entering the service. He received his commission as a Second Lieutenant, October 1, 1943, at Brookfield, San Antonio.

At present, he and his bride are making their home in Monroe, La.

METHODIST CHURCH

James E. Harrell, Pastor

Sunday School 10 A. M.
Morning Worship Service, 10:55.
Youth Fellowship Program, 7 P. M.
Evening Service, 8 o'clock.

The Woman's Society of Christian Service meets Monday afternoon at 3 o'clock.

Mid-Week Prayer Service will be dismissed for Annual Conference Sessions in Sweetwater, Nov. 8-12.

The last Sermon Messages for this Conference year will be delivered by the Pastor, the Rev. James E. Harrell, next Sunday. The sermon subject Sunday Morning will be: "The Garden—Gethsemane." Several are to unite with the Church. We want to make it a great day of Spiritual feast to our souls. Will YOU help us? Come praying.

We are delighted to have visitors in all our services.

Methodist Pastor Serves Four Years in Hamlin

The Rev. James E. Harrell will attend the North West Texas Conference in the First Methodist Church, Sweetwater, Nov. 8-12, at which time he will make his report for the fourth year as pastor of the First Methodist Church here, and for Plasterco and Dovie on the Hamlin Circuit, which he has supplied each Sunday afternoon this year.

During his four year pastorate of the Hamlin Methodist Church, 178 members have united with the church, 42 of this number on profession of faith. More than \$23,000 has been raised for all purposes. The salary has been increased from \$2100 to \$2400; and the Benevolences increased from \$500 to \$650.

per year.

The fourth year has been the best in many respects. Better attendance in Sunday Council and Board Meetings, and a finer spirit of cooperation and Christian fellowship has been manifested. For these four years of ministry, spiritual blessings and manifestations, as well as the material blessings, we are truly grateful to our dear Saviour, and the Father of us all. It has been a delightful, happy experience for all of us, for which we are, indeed, thankful.

Erratic driving proves so inefficient in Wartime that it's no longer favored any of the time.

Deftness is the style in motoring. Tactics like swooping in and out of line seem wasted, when the little coupe—from miles behind—presently shows up anyway in the "thrill-drivers" mirror.

That's skill—making a steady good average; not leaping and bounding to make it up. You'll show still greater regard for dutiful mechanism by having your engine OIL-PLATED—internally surfaced to resist corrosion by the unavoidable acids of combustion.

Changing to Conoco Nth motor oil will automatically give you an OIL-PLATED engine. Costly pioneer research created the special Conoco Nth ingredient that gives this popular-priced oil its magnet-like action. And that's what joins OIL-PLATING to inner engine surfaces, as if to stay.

Acids stay too, these days—infesting every cylinder in unreasonable quantities. Former chances of ousting corrosive acids are decreased these days by low engine temperatures—longer stretches of standing cold—mileage limitations of any kind. But you can keep your engine's fine inner finish under cover of protective OIL-PLATING—resisting corrosion! Just change to Conoco Nth motor oil at Your Mileage Merchant's. Continental Oil Co.

POT-SHOTS FROM McCauley

BY GEO DARDEN

Well, the War Chest Fund isn't lagging in McCauley. It's over the top, as all other war efforts go in these parts. Tuesday night of last week at the school house, there was a pie supper and proceeds went to the War Chest Fund. Did it go over? We might as well ask can a Duck swim. The same little band of patriots were there; yes, just a handful, but pies and cakes, candies, etc. sold plenty high. For instance, pies sold as high as \$12.00 and two cakes brought \$25.00 each, and one box of candy was bid in at \$50.00. Any way over \$340.00 were bought and paid for. Why weren't you there, neighbor? The same boys who are hitting the beaches are fighting for you as well as the handful who kicks in with the dough to keep them fighting. If all the folks would give a little, then it wouldn't be so tough on the same few who give every time. It is a fact, even if we are getting you told.

Former McCauley Boy Dies of Wounds

Mr. and Mrs. Claude Faulkenberry of Hamlin have received a message from the War Department that their son, W. J. Faulkenberry, had died on Oct. 17, from wounds received at Noemfoor, New Guinea. W. J. was born Nov. 27, 1923, near McCauley and attended the school here. He has been in service for the past two years and was an anti-air craft gunner. He is survived by his parents, one brother, LeRoy, of Hamlin, two sisters, Mrs. Clifford Kinsey of Grand Falls, and Mrs. John Battle, of Alder, Washington, and his grandparents, Mrs. J. O. Faulkenberry and Mr. and Mrs. Ernest Rogers of McCauley. Our sincere sympathy to the bereaved, and the entire community joins the writer in expressing deep regret at the loss of this fine boy.

Mrs. J. J. Herbst Died Thursday

Mrs. J. J. Herbst, 84, prominent Jones County pioneer, who recently has made her home with a son, Rufus Herbst, and family in McCauley, passed away Thursday morning at the Herbst home in McCauley. Mrs. Herbst had been an invalid for more than a year. She had been a resident of Hamlin community for 57 years, until a few months ago when she moved with her son to this community. She is survived by five children. Our sympathy to the bereaved families.

Sarah Lou Prather, of Plasterco, spent the week end with her grandmother, Mrs. Alvin Gregg, in McCauley.

McCauley Defeats Sylvester 43-0

Superintendent and coach, W. W. Webb of McCauley carried his boys to Hamlin Friday night, where they played Sylvester under the lights.

There wasn't much excitement in the first quarter while the boys were getting accustomed to the lights, but late in the first half, Maberry passed to Jones who ran 20 yards for the first score of the game. Maberry's kick was good for two points.

The next score came in the third quarter when Jones took the ball on a fake center plunge and went 25 yards to pay dirt. Try for extra point was no good. The third touchdown was on a right end run, with Maberry carrying from the 20-yard line. The extra point was successful on a pass from Maberry to Kidd. The fourth touchdown was from the 40-

yard line with Kidd carrying the ball on a center plunge. Maberry's kick was good for two points.

In the fourth quarter, a 25 yard pass from Maberry to Bostic was good and Bostic went 25 yards for a touchdown. Maberry's kick was good for two points, bringing the score to 37-0.

At this point, several substitutions were made and the final score came on a pass from Maberry to Gibson, who went 25 yards for a touchdown.

As the whistle blew at the end of the game, the McCauley boys were down to the 15-yard line due to a pass from Maberry to Houghton.

Substitutions: Berry for Bostic; Houghton for Carter; Bostic for Berry; Carroll for Bostic; Waldrop for Hicks, and Gibson for Kidd.

Mr. and Mrs. C. C. McHone and daughter spent last week visiting relatives in Fort Worth, Dallas, McKinney and other East Texas towns. A nice trip was reported.

Mr. and Mrs. N. D. Miers and children of the Hobbs community spent Sunday in the homes of relatives in McCauley and Hamlin.

F. L. Rector and Melvin Hunter have been summoned on the special venire for this week's term of court at Roby.

We appreciate Mr. Wayne Webb, Supt. of the McCauley schools, for writing up the basket and football games of McCauley high school and handing same to us for publication. It is a fact that there are a lot of folks interested in our winning teams this year. There may be bigger schools and better teams but these McCauley boys and girls are getting the job done, and there's plenty of pep to go with the teams.

Comment No. 1:

Wonder how Senator Pappy gets all the gasoline for his sound trucks and cars to barn-storm over the country with ghostly tales?

Wonder how Pappy gets 70 thousand copies of the O'Daniel News out to the folks when the editors can scarcely get enough paper to print even the home town news? It looks as if Pappy got caught up with and had to admit that he had but 4000 subscribers, yet 70 thousand people get the paper—all of which is just plain baloney.

Even the farmers who produce the food for our nation do not always have enough gas or tires to get to market; yet, the fat, conceited Pappy gets more than it would take to run two dozen farmers. In such a case, "there just ain't no justice." Rave on, Pappy, rave on; your time is coming when you shall be buried under such an avalanche of votes that you may cry for the rocks and the mountains to hide you from the wrath of the Texas voters.

Plain facts about really good coffee

COFFEE that's wisely purchased and carefully brewed will be really good coffee. Here are some plain facts about buying and brewing it.

BUYING COFFEE

Choose the blend that you find most satisfactory to your taste. Some are smooth and mild—some are rich and robust. But if you like it, that's the blend for you, no matter what the price tag says.

Buy fresh coffee, whether it comes already ground or packed under vacuum, or is ground to your order at the store.

Get the grind that is best suited to your coffee maker. ("Regular grind," in vacuum-packed coffees, is suitable for all coffee makers; "drip grind" is favored for drip or vacuum makers—store-ground coffee can be specified for percolator, vacuum, drip or coffee pot.)

BREWING COFFEE

Clean containers and coffee makers are required, if you want really good coffee. Keep vacuum-packed coffee in its own container. Before transferring store-ground coffee to your pantry container, make sure that all the old coffee has been removed (a thorough washing with soap and hot water, followed by thorough drying, insures the right result. Even a little old coffee can spoil the new). Thoroughly wash and dry the coffee maker similarly, every day; once a month, boil it out in soapy water to freshen it.

Use enough coffee in your coffee maker. As a general rule, for average strength, 1 rounding tablespoon or 2 level tablespoons for each standard 8-ounce cup of water.
